

### Chris's Top Ten Pandemic Tips:

- 1) Waste not, want not.
- 2) Take better care of your teeth.
- 3) Buy a Flowbee.
- 4) Start a garden.
- 5) Buy in bulk and have it delivered.
- 6) Schwans for pizza, Bevmo for beer.
- 7) Learn as much as possible about the internet and computer networking.
- 8) Buy, beg or steal a big video screen, a quick PC (not a phone), a wireless keyboard, and the fastest internet you can afford, so you can sit on your couch and improve your life, while video chatting with everyone you want to or need to.
- 9) Exercise more, indoors or out.
- 10) If recently unemployed, create a job as quickly as you can in the gig economy; look for opportunities as the world changes permanently.
